Dear whānau

We have great news to share with you about our situation at school.

The student who was a close contact of a covid case has tested negative.

Our understanding is that while attending school the student was not contagious.

This means that our Essential Workers Classroom's will reopen on Monday 22 November.

Rooms 1,3,5,7,9,11,15 & 17 will continue to come on Mondays and Wednesdays and Rooms 2,4,6,10,12,14,16 & 18 on Tuesdays and Thursdays. We look forward to seeing you.

Thank you for your support during this time.
