

DAY ONE MOTUTAPU CAMP

Dear Whānau

Sorry for the delay getting an update to you from camp - their internet is not great.

Students have safely arrived at MOEC. Even though we had light showers passing through in the afternoon, it did not dampen their excitement! We have completed our first rotation of activities, and a modified game of spotlight in the evening. A few tired faces, but an enjoyable Day 1 had by all.

Having all the bags checked at school for rodents!!

Waiting to get on the ferry!

Arrived at Motutapu Island. Ready for a 5km walk to camp!

One of the afternoons activities - abseiling.
