Friday's Year 2 & Year 3 Assembly

The assembly was held by Room 18.

Room 18 shared interesting facts about our brain.

On Wednesday the Henderson North School touch rugby team played in our local primary school's competition at Waitakere College. Our team played with passion and skill, demonstrating respect to their opponents. We had a great day. He whetū koutou! You are all stars!

Friday was a bright and sunny day for our New Entrant Assembly, we did have a lot of children away unfortunately. We hope you all get better soon and come back to school soon. Room 11 hosted the assembly and some of the children showed us how brave they are by announcing different parts of the assembly. Well done Joshua and Manaia.

Room 11 shared some patterns that they have been learning about.

Room 12 also shared their craft that shows the patterns that they made.

We celebrated our tamariki that can Be Respectful, Well done! Unfortunately both Aliyah Kaani and Bolivia Ihaka were away.

Thank goodness we could celebrate all of the other tamariki who have done amazing things in the classroom.

We all had a great time singing welcome songs and rowing our boats with a friend.

Senior Assembly

Certificate winners for this week for Being Respectful. Room 3 got the attendance trophy & Yashvi got the bronze certificate.

On Sunday the 26 of March my best James and I played the biggest game of our lives!
My team club that I play for - Waitemata Seagulls - went to a Warriors game and we played the game before the NRL Warriors game on. Our team were all having so much fun. We played against a team called the Whalers. We won our game by 2 points. Then we got to watch the NRL Warriors game. They also won by 2 points. We were very happy and had a great time. I got two signatures one from my favourite player Shaun Johnson and the other one was from Bunty. Shaun Johnsons daughter was writing with a vivid on peoples items and she wrote on my Warriors hat as well as on my warriors flag. Wiremu

Yesterday my friend Wiremu and I went to the NRL game at Mt Smart Stadium.
It was Warriors against the Bulldogs. Me and my team played versus another team. It was so much fun. I even got some pictures with the warriors. I even got Shaun Johnson to sign my flag. I was really happy that the Bulldogs lost! James

FACE TO FACE COMMUNITY WORKSHOPS FOR THE CHANGES TO PLANNING AND REPORTING

*The Ministry of Education are holding face-to-face ākonga, parent, whānau and community workshops, where they will be talking about planning and reporting. The programme, **Te Whakangārahu Ngātahi | Planning Together**, is focused on preparing for the upcoming changes to planning and reporting legislation and requirements.*

They would like to share these preparations with you, to not only ensure you are in the know, but also to gather your feedback on the proposed supports - e.g. the tools, resources and support channels to be developed. They need your voice and help co-creating these supports, to ensure they are fit for purpose and add value where it is needed.

These workshops will be held at the following places from 6 – 8:30pm:

- Tuesday 28 March: Bluelight, Papakura. 159 Dominion Road, Papakura*
- Wednesday 29 March: Henderson Intermediate School: 70 Lincoln Road, Henderson*

If you'd like to take part in either of these workshops, you can email planning.together@education.govt.nz to register your interest. Food and drink will be provided, and they look forward to seeing you there.

Further information on planning and reporting and the consultation process can be found here: [Te Whakangārahu Ngātahi: Planning Together for Ākonga Success – Our School, Our Community – Conversation space \(education.govt.nz\)](#).
