CREATING A MURAL AT HENDERSON NORTH SCHOOL

Kia ora Whānau,

We are very fortunate to have received a grant from Creatives in Schools so that we can create beautiful Murals. The murals are going to represent our school community and our varied cultures and identities and the things that are important to us.

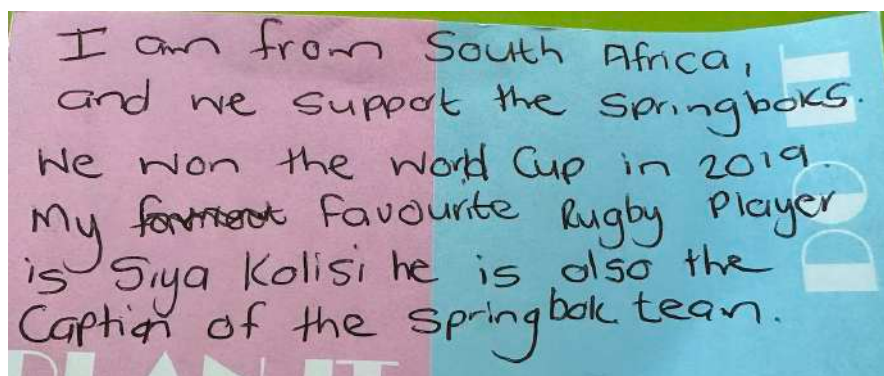

The purpose of this project is to provide an opportunity for the school community to express themselves creatively and show the combined school identity whilst recognising and celebrating the individuality of each student, and their culture and heritage.

Lucia Laubscher who will be working with you and us, our tamariki and staff, and whānau.

If you would like to see some of her work, this is the website: <https://www.artbylucia.co.nz/schools>.

What we need from you is something that tells us about who you are and where you are from and what is important to you and your whānau. This can be a written note or a photo of an important item that is meaningful to you.

Here is an example: Everyone will have the opportunity to participate.

We need to receive this by the 7th March, as this is when the project will begin. This can be given to your child's teacher.

If you have any questions in regards to this you can email ramoore@hns.school.nz or come and visit me in Room 7.

Kind regards

Roselle Amoore
