This week's value - 'BEE Responsible'

Dear Whānau

The weather is challenging at the moment so it is pleasing to see children running in with a smile. Some come early enough for breakfast, enjoying the time to sit with friends and socialise while enjoying weetbix with fruit and yoghurt, and milk, and warm toast, and sometimes Milo. Fruit is appreciated at morning tea (mandarin oranges today), and at lunchtime we have a hot meal - lasagne today. We hope you are safe and dry at home

We are a water only school, we have water fountains around the school that children can drink or use to fill their water bottles. The water fountains were cleaned last week and they have had their filters replaced to ensure the water is fresh.

Census New Zealand will be at school on Thursday 1 June while whānau family conversations are on - There will be a Sausage Sizzle, and lots of Giveaways!

Last week was Book Week

A BIG thank you from the library for everyone who took part in Book Week last week! We had a blast and hope you did as well. Keep an eye out for much more fun book-ish happenings at Henderson North this year. And most of all - keep reading, folks! See photos below.

Kia ora e te whānau,

We had an amazing trip to Hoani Waititi on Thursday 18 May.

Thanks to our fast walking Matua Paul we got there in good time.

We were welcomed in by the tangata whenua of Hoani Waititi and our kaikaranga Fenn and Nylah opened that pathway for us to walk in safely.

Te Ariki and David conversed on our behalf with great confidence on the paepae.

The singing was uplifting and powerful.

We ate and we laughed then we sang as our wai of thanking the kaimahi for the food we enjoyed.

The first workshop was based on the history of Hoani Waititi this was introduced by our new favorite facilitator Matua Tom. He told us that the Hoani Waititi is named after. teacher.

We laughed when we heard the story about how the kuia who moved the surveyor pegs which is now where the marae sits. Not in the swamp where the council had told them to build.

Then we dove into the Tiriti o Waitangi what does that look like for kids?

He provided a resource that aligned to our school Rules

Be respectful

Be Safe

Be a learner

Be responsible

How does that connect ask our senior Kapa haka students they can justify why they feel that way?

We then entered into the world of mihi. We learned the art of mihi and how we connect to our ancestors even if we come from overseas.
